

Activate the laundry chip card:

Porse, IP address <http://158.38.86.4>

Heltne, IP address <http://158.38.86.5>

Røysmarka, IP address <http://158.38.86.19>

Myrane, IP address <http://158.38.86.24>

- Miele Logic chip should have been given to you at Elvegata 24 the day you moved in.
- Log on to the laundry at Studentsamskipnaden's website by using the username and password given to you, and select Heltne or Porse
- Select language, English or Norwegian.
- Select <balance/payment>, here you will also automatically view the user account .
- Select <payment to account> if you want to charge your card, by selecting one of the proposed amounts. You can also transfer money back to your private account.
- Payment options are: Visa, Mastercard/Eurocard.
- The <reservation> button are at the present not active.
- You can now go to the laundry and start use the equipment by holding the chip at the defined point at each unit, further choose the preferred program at the display.
- Equipment user guide are present at the laundry wall.
- You can access your account at the website, or get a receipt if you want by using the chip card at the laundry receipt writer at the wall.
- If the chip is lost you have to log on to your account and select money back transfer.
- A new Miele logic chip card can be obtained for a fee at our office.
